

BACON SPACEHORSE

A new kind of hero.
Kind of.

BACON SPACEHORSE

SYNOPSIS

Bacon Spacehorse is a magical horse who loves to explore space with his sidekick, Astrobee. Discovered by human astronomer Charles Rand, they have come to Earth due to their insatiable thirst for space trivia.

Now enrolled in space camp, the pair want to learn all there is to know about space travel. These missions lead the quizzical buddies into the most bizarre corners of the universe, and while the answers often don't make sense, they're always extremely funny.

BACON SPACEHORSE

SYNOPSIS

Joining the adventure is a meteor called Silly Pete, and Ray Stingray, the world's most gifted scientist. Each friend has their own reasons for exploring space, and not all of them are as innocent as Bacon Spacehorse's.

Filled with curiosity and enthusiasm, Bacon Spacehorse enchants all he encounters. He is sweet yet very powerful, like Thor crossed with Spongebob Squarepants. Or Gandalf trapped inside a My Little Pony. So when he and the others disturb an ancient evil from outer space, it falls to our carefree, magical hero to stop the terror.

Basically, we're in big trouble...

WOW!

Bacon Spacehorse gets his name from being forged in the heart of the Bacon Nebula, in the Gammon region of subspace!

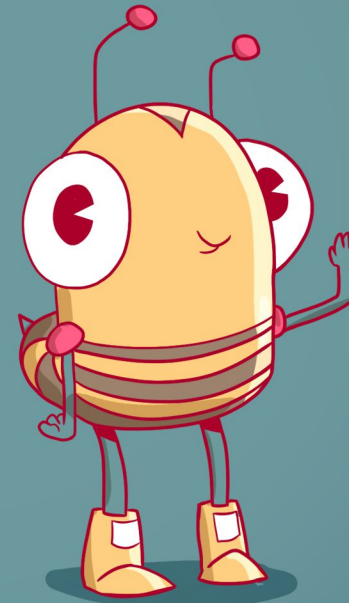

BACON SPACEHORSE

CHARACTERS

BACON SPACEHORSE

A naive, but highly magical horse that wants to go to space camp. He loves flowers and cupcakes and black holes and quantum physics, and intends to learn everything there is to know about the universe. He is a goofball, but an extremely powerful goofball.

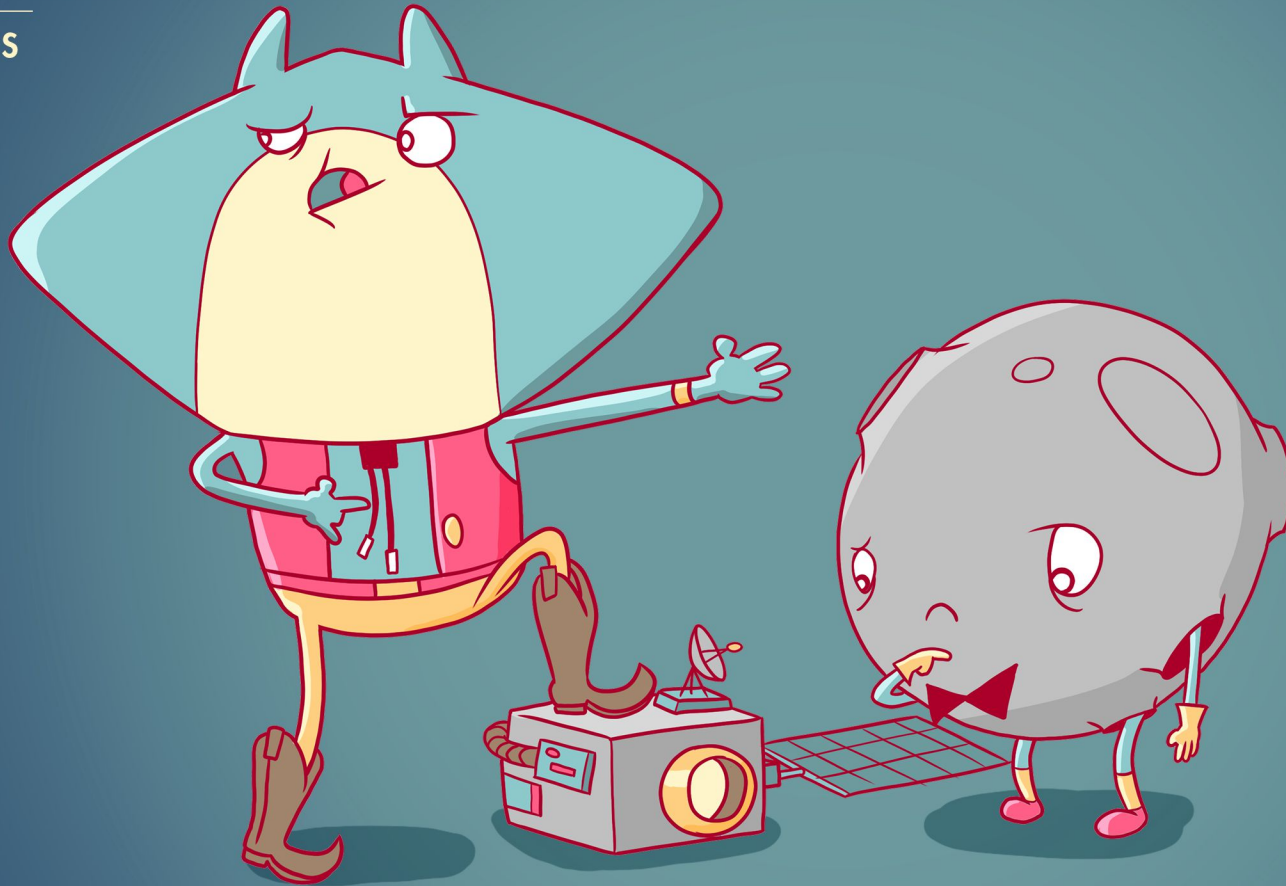

ASTROBEE

A fearless explorer in his own right, Astrobee left his beehive to visit as many planets as he can. He's an insect maverick who wanted to go into space ever since he saw Flight of the Navigator as a larva.

BACON SPACEHORSE

CHARACTERS

RAY STINGRAY

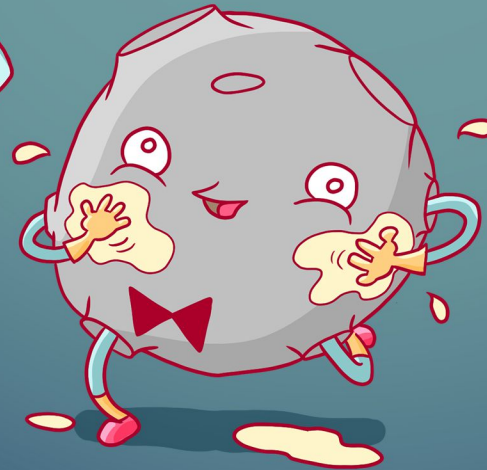

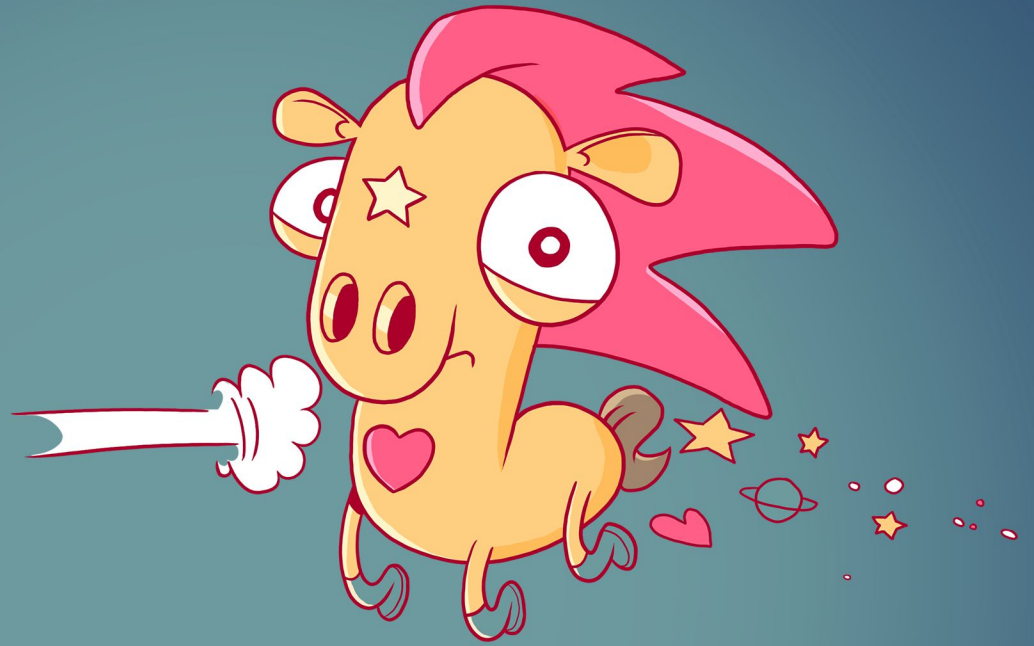

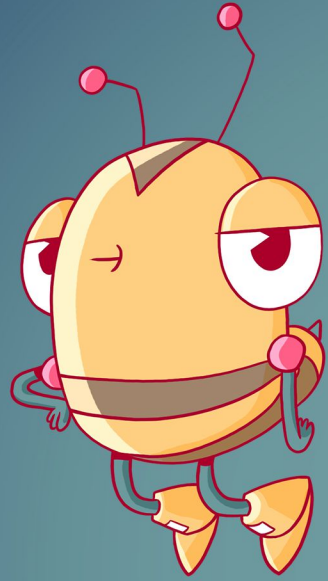

A talented but frustrated fellow who wants all the answers in the universe for a book he's planning called, "Ask Ray". He lacks the magic skills of Bacon Spacehorse, but makes up for it by using all the gadgets he has invented. This is really difficult and he's always exasperated.

SILLY PETE

A small meteor who was saved from an impact event by Bacon Spacehorse, for which he is forever grateful. Because he's billions of years old his knowledge of space is unparalleled. One day Pete hopes to become a comet and settle down outside the Kuiper Belt.

WHAT'S INSIDE A BLACK HOLE?

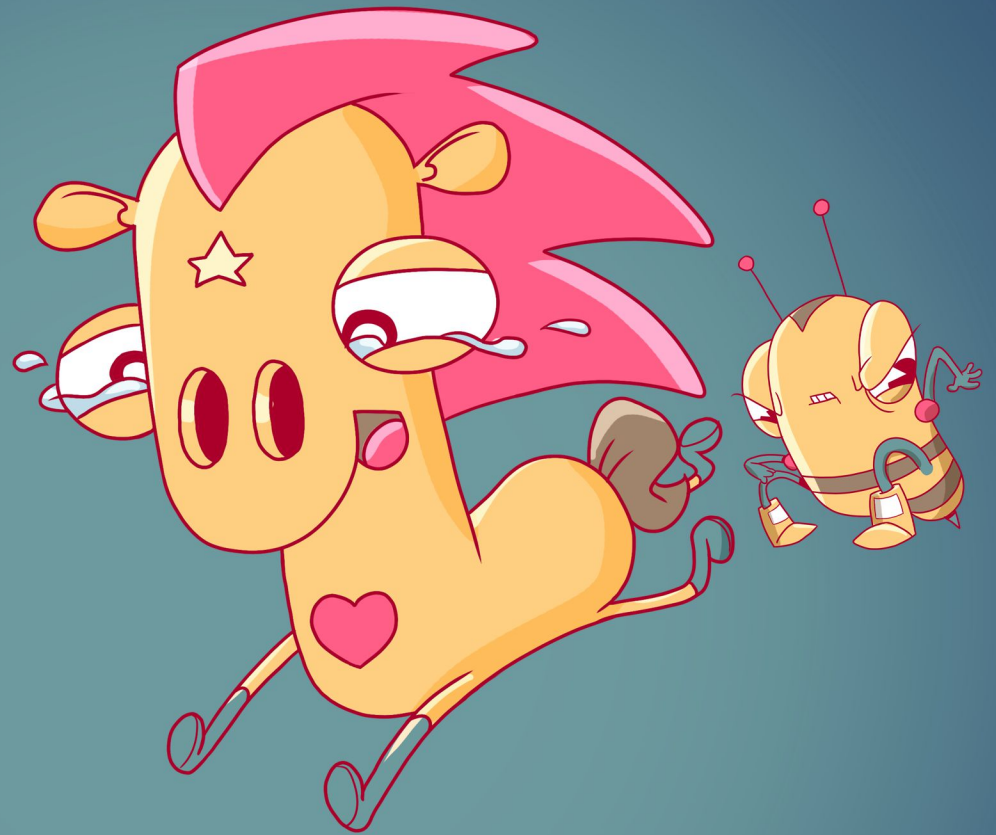

When Charles Rand introduces Bacon Spacehorse and Astrobee to the concept of black holes, they are absolutely fascinated. Learning that no one has been inside one, they decide to be the first, and set off on a mission to cross the event horizon. They get lost along the way, but once they finally locate and enter a black hole they find themselves in a reality loop that blows their minds.

WHAT ARE METEORS MADE OF?

Bacon Spacehorse tells the story of how he ended up on Earth. Once prince of the Spacehorse Kingdom, he longed for adventure, but was banished for using his powers beyond the realm's borders. After discovering a meteor about to destroy Earth, he ignored his parent's warnings and deflected it with pure magic. For that, he can never return home. When Bacon's story ends, Silly Pete reveals that HE was the meteor. The answer to what meteors are made of becomes clear - they are made of true friendship.

CAN YOU TOOT ON A GAS PLANET?

Ray is frustrated that his toot-measuring probe isn't ready for launch. He could ask for help but is far too proud. Behind the scenes, Bacon Spacehorse and the others magically bring the probe to Saturn. Ray finds out and lambasts them for not following scientific protocols. Astrobee doesn't see the big deal. It's a gas giant, what's a little extra gas? CUT TO 3 MILLION YEARS LATER: Saturn is home to a race of highly intelligent toots.
